Work/retreat weekend

May 17th-19st

Join us for a wonderful weekend in Maine @ Berea's Maine site. Camp Kerith is located on Bunganut Pond in Lyman, ME. It serves the lord just as our beloved Camp Berea in New Hampshire does.

We will use our hands to bless the Berea community. They need help opening up the camp for the summer season. In addition to time spent working, we will also make time to have a mini-retreat with games, devos, and possibly an excursion to Old Orchard Beach (weather permitting).

Our plan is to leave Friday around 5 and return Sunday around 5.

Sign up deadline will be announced in April.
